CLUB NAME: Chelmsford

AFFILIATION NUMBER: 678

Dear June,

CONGRATULATIONS!

Chelmsford N.C has been awarded a SILVER CAPS and Clubmark Award.

Thank you to you and all your members for their hard work in achieving this award. SILVER CAPS is a fantastic achievement and I hope your club will see this as a real development

The next step in the CAPS scheme is GOLD. I hope you will consider this in the future. If you would like to progress to the next level then please do not hesitate to contact myself for the necessary information and support.

Your England Netball CAPS certificate and Sport England Clubmark certificate will follow shortly in the post. I would like to encourage you to use the logo's you have previously received on your club material as a kit mark of a child friendly and developmental club.

Every year you will be sent an annual renewal form that you will need to complete and send back to keep your accreditation up to date. Every four years you will need to go through a complete re-accreditation. Details of these will be sent to you in due course from your regional unit.

Once again, many congratulations on reaching this level of club development – an excellent achievement! I look forward to supporting Chelmsford N.C in any future developments you wish to undertake.

Yours sincerely,
